Awards Booklet 2022 - 2023

Madam President, Executive Board, Members and Guests,

Though I am not with you today, I am in attendance through the members and Chairmen who have worked and submitted, the amazing Awards applications for New York State. It has been a pleasure to support the State Chairmen of the Specific Awards, the District Awards Chairmen, and the Garden Clubs and Districts that planned and executed the many projects and events that were submitted for the 2022 Awards. It was a great Year for our membership and our communities.

Awards represent some goals for our Clubs, the structure for our programs, the focus of our activities. They are the initiatives from the National Garden Club, the Central Atlantic Region-State Garden Clubs, the Federated Garden Club of NYS, along with your Districts and your Clubs. Clubs are encouraged to plan some of their activities around a few of the Awards and Programs sponsored by NGC, CAR-SGC, or FGCNYS, as well as the needs and interests of your specific clubs and communities. The Club's planning committee could include an awards representative to plan activities that will bring recognition and coordinate your plans with those of our national, regional and state affiliates. Examples of those programs might be Growing Membership, Planting America, Planning a Flower Show, Playing Outside, promoting Conservation, learning and teaching Ecology, organizing Neighborhood Gardens, and more.

From our fgcnys.com web site, you can access all the forms and information you need by going to the Awards Tab. It will even connect you to National and CAR-SGC web sites. Now continue those excellent efforts we see in this year's awards. Congratulations to everyone!

Thank you, one and all,

Cheryl Kopyt

FGCNYS Award Coordinator
