Dear Friends and Members,

Congratulations!!! The Federated Garden Clubs of New York State are celebrating the 100th (Centennial) Anniversary this year May 7, 2024. We will meet in Albany to acknowledge the impact our Garden Clubs have had in our neighborhoods, towns, and cities. From our original Founders in 1924, to 2024, with our 181 clubs and 6045 members, we have transformed the lives and communities of New York for 100 years. Yes, and we are still going onward.

In celebrating the Centennial, we will print a "Centennial Journal" filled with good wishes and advertising messages from friends, neighbors, and business associates. By purchasing an ad, you can recognize a member or a garden club with a personal message; or promote your business with an advertising message. You may also donate as a Patron, Supporter or friend. The Journal will be published for the Convention with an online version for our web site and Convention Lobby.

In addition, we will celebrate the impact of one of our special members. We ask you to send your best wishes to Jeanne Nelson, Club Member Extraordinaire, FGCNYS Past-President, and CAR-SGC Past-Director. Jeanne has been a key person, leading our Clubs for many years. We are honoring Jeanne for her dedication to our Clubs and for being a role model for us.

We hope you take this opportunity to support the Federated Garden Clubs of New York State and their selfless efforts in our communities. With your Journal support, we will continue educating our members to be consultants in Landscape Design, Environment and Conservation and to become Flower Show Judges and helping our Clubs sustain their projects in related areas of Environmental Preservation, Community Enhancements and Improvements, Youth and Public Education, and making our world more beautiful by "Planting America" one garden at a time.

To ensure your ad is included in the printed Journal, complete and submit the attached form before **April 1, 2024**.
